

KS FOP (1st Call) *Version #2

INTRO (KS) - Hi, this is _____ with Corporations for Character calling for the Kansas Fraternal Order of Police. And don't worry you're not in trouble. We just want to quickly explain what we're doing, and I'll be less than 60 seconds. I'm calling today because we're actually the voice of our local officers. And even though we may sometimes take them for granted isn't it nice to know that we do have law enforcement around to help keep us safe?

CONTINUE T2 (KS) - Yeah absolutely, and in addition to helping these officers keep us safe, we help to provide support to the surviving family members of law enforcement officers killed in the line of duty, as well as provide death benefits for our fallen heroes. Now, obviously all these projects are very important. And because these officers have given so selflessly to us and our community, we're asking each family who can to give a little back and as a thank you for any support you can give we send you a decal for your car to show that you helped out. We also don't ask anyone to make their donation over the phone. So knowing that every little bit makes a huge difference for these guys and our community. Can we please count on your support in helping these local officers, we can delay your donation for 30 days, and even if it's just \$10 it would really help, is that okay?
